

New Hartford School District

Dear Parent or Guardian:

The 2022-23 school year is upon us, and Fresh Picks Café is pleased to once again manage your school's Food Service Program. Fresh Picks Café is a locally owned and operated company dedicated to serving delicious, wholesome, quality meals that meet the latest nutritional guidelines. As a refresher, here are some of the features your children enjoy through your district's partnership with Fresh Picks Cafe:

1.) Menus:

We offer online, interactive menus through ISITE. You have the option to download the "Web Menus by Isite" app to your mobile device and check your student's menu choices daily! Ingredients, allergen and nutritional data for all items served can be viewed from this app. Interactive menus are also available online and can be viewed and printed from your school district's nutrition website.

The **Kids' Pick Café** at **Ann Antolini, Bakerville and New Hartford Elementary** offers a wide selection of choices each day including items such as our featured hot entrée, deli sandwiches, salads, bento boxes and parfaits.

The cafeterias will also be open prior to school each day to provide a **complete nutritious breakfast** featuring a wide range of hot and cold breakfast meal options. All breakfasts are accompanied by a variety of fruit selections to enable students choose a full, healthy meal to start their day.

Fresh Picks Café is proud to present our **Smart Snacks** line of healthier packaged snack, beverage, and homemade snack options. Visit the nutrition website and watch for details and news flashes on exciting new programs.

2.) FREE MEALS ARE SET TO EXPIRE AT THE BEGINNING OF NOVEMBER Through a program funded by the state of Connecticut our school district will be able to offer free meals for a limited time. As a part of this funding program, we need to collect meal benefit applications from all students. These meal applications will enable us to receive the proper state funding and will help us to offer free meals for as long as possible. Please contact your school administrative office or the food service director to obtain an application.

All students are entitled to a full meal from any of our stations at **breakfast** and at **lunch** for no charge until approximately the beginning of November. Snack items such as snack milk or snacks are available to all students for an additional charge.

3.) Automated Point of Sale System: The New Hartford School District has an automated point of sale system from PowerSchool. Students must have funds on their account or cash in hand to purchase snack items. Parents will have 2 methods to fund their student's account.

Option 1. Online Payments - You may set up an online account to use a credit or debit card to prepay for your child's purchases. The system allows you to view your child's purchase history, receive low balance alerts and more! Instructions for setting up your online account are available in print from your Food Service Director and posted on the nutrition website.

Option 2. You may send a check with your child, made payable to the **New Hartford School Lunch Program**. Please make sure to include the child's name in the memo line. Cash can also be accepted but is discouraged at the elementary school level.

Prepaid monies deposited by either method can be used for any purchases in the cafeteria, but at any time parents may contact the school food service supervisor and request that limits be placed on student purchasing.

4.) **Student Allergy / Special Needs Identification:** If your student has a medically documented food allergy or special need when it comes to food, your food service director will work closely with the school nurse and other personnel to ensure that your child's specific needs are met. Please visit the allergens page on your school district's nutrition website to learn how to access allergen information online and/or to contact the Fresh Picks Café Dietitian Team.
